

ICEJ ON THE FRONT-LINES OF ISRAEL'S WAR RELIEF EFFORTS!

The International Christian Embassy Jerusalem is currently supporting a wide variety of war relief efforts in Israel through our 'Israel in Crisis' fund. Your gifts will continue to go towards meeting these and other urgent needs.

FOOD & SUPPORT FOR NEEDY FAMILIES

The ICEJ has helped with urgent food distribution and humanitarian efforts to assist evacuated families, the elderly, new immigrants, and other needy families nationwide, including:

- Packing over 14,000 food boxes for evacuated families.
- Leasing two delivery trucks to distribute food packages to evacuated and disadvantaged families.
- Providing food and water to first-responders near the Gaza border.
- BBQ cookouts for those defending the country.
- Sponsoring a mentoring program and aid basket for 40 vulnerable families from the heavily-impacted areas of Ofakim, Ashdod and Ashkelon.

HELPING EVACUEES

The ICEJ has assisted scores of Israeli evacuee families with housing, emergency aid, educational needs, and emotional support, including:

- Respite days for 450 evacuees, including new immigrants living near the Gaza border and other families from the South hosted at Yad HaShmona.
- Gift voucher for 440 evacuee families from Kfar Aza and Sderot.
- Hosting 18 evacuees, including with food and emergency items.
- Meeting basic needs of hundreds of children, including toys, games, mattresses, first aid kits, food, etc.
- Sponsoring activities, therapy and/or emotional support for some 1,000 evacuee children, some with disabilities.
- Providing computers for children in 10 evacuee families.
- Establishing 11 classrooms for evacuated children, with equipment and books.
- Giving 250 bags packed with toys to children of evacuated families in Haifa.
- Funding the printing of 4,000

books to help traumatized children in evacuated families, being published by the already re-opened print house in the hard-hit community of Kibbutz Be'eri.

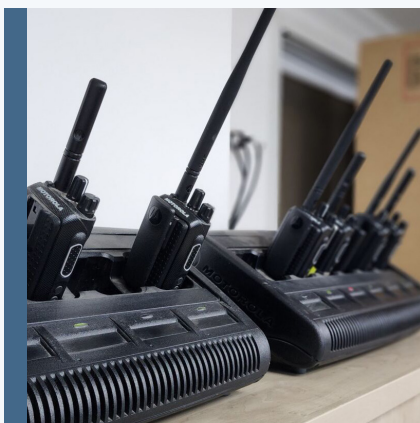

HOLOCAUST SURVIVORS

The ICEJ has made a special effort to assist Holocaust survivors during this crisis by:

- Purchasing emergency food supplies and a back-up generator for Holocaust survivors at the Haifa Home.
- Providing survivors with mattresses, toiletries, etc.
- Supplying food for survivors across northern Israel.

MEDICAL & EMERGENCY EQUIPMENT

The ICEJ has been donating medical and emergency equipment, including:

- Providing 30 paramedics and search & rescue workers with protective helmets and vests, search and recovery tools, first

aid and medical intervention equipment, and other emergency supplies.

- 4 new ambulances, including one for Kibbutz Be'eri.
- 1 new medi-scooter.
- 4 medical packs and 4 defibrillators for security officers in Hof Ashkelon.
- 4 new fire-fighting ATVs to combat recent fires ignited by Hamas rockets hitting the Western Negev.
- Donating warm clothing, tents, and other outdoor equipment for those on the front-lines.
- Delivering more sets of special radio transmitters to communities along the Gaza border like those which helped save thousands of lives on October 7.

BOMB SHELTERS

The ICEJ has been placing more portable bomb shelters and renovating existing underground shelters in the North and South of the country, including:

- Ordering 9 new above-ground mobile shelters.
- Renovating 120 existing underground shelters, including 73 shelters in Shlomi, 41 in Ma'alot-Tarshiha, and 6 in central Israel.

TRAUMA RESPONSE

The ICEJ has been sponsoring trauma counselling and care for hundreds of Israelis severely shaken by the conflict, such as:

- Providing leadership and resilience training and support to 120 doctors and nurses who

are responsible for over 1,500 medical staff.

- Offering trauma therapy and emotional support to evacuated teens and at-risk young adults.
- Horse-back riding therapy sessions and equipment for traumatized children.
- Helping establish a PTSD trauma center in the North for IDF veterans and others.
- Renovating a treatment center in Jerusalem caring for hundreds of Israeli soldiers and civilians suffering from PTSD.

HANDS-ON VOLUNTEERING

The ICEJ staff has engaged in hands-on volunteer work to help Israelis in a number of areas, including:

- Packing food boxes for over 14,000 evacuees, as well as 4,900 toiletry kits for IDF soldiers.
- Visiting wounded IDF soldiers and civilians, with 19 receiving gift bags.
- Visiting evacuee families from Kfar Aza and sitting shiva with them.
- Homecare visits to dozens of the elderly and disabled in need of physical and emotional support.
- Harvesting fruit trees and crops for farmers in the western Negev.
- Volunteering to drive pregnant women to the hospital to give birth.
